

Applied Behavior Analysis and mental health services

We provide services to individuals and families using a holistic approach in an inclusive and supportive environment.

Services are offered virtually, in-centre, and in schools across the Ottawa area.

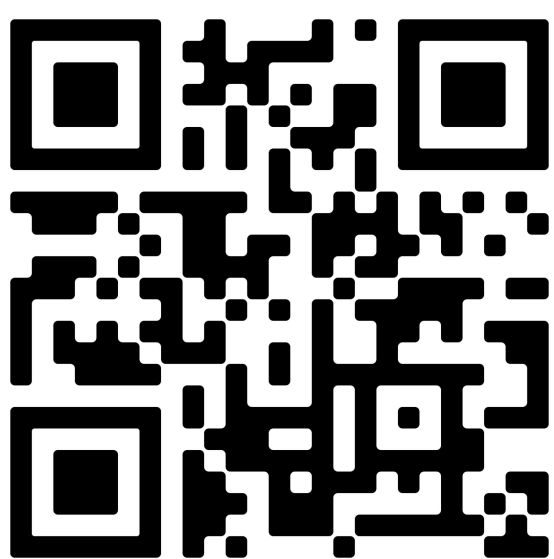

Our programs include:

- Intensive Behavioural Intervention
- Counselling
- Mental health services
- Life skills
- Direct instruction tutoring
- Behaviour management
- Parent training
- School Readiness

Community programming:

- Social skills training
- Standard First Aid and CPR
- Accept Identify Move (AIM)

**Not sure what program is right for you or your child?
