

ARE YOU CONCERNED ABOUT A CHILD OR YOUTH'S DEVELOPMENT?

The CHEO Access Team – delivering SmartStart Hub services is available to direct families and physicians to the correct care and treatment for children and youth.

**Phone: (613) 737-2757
1-800-565-4839**

Fax: (613) 738-4841

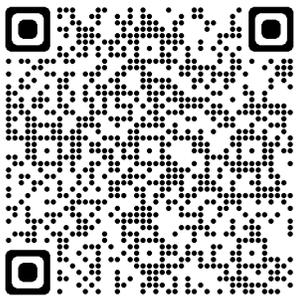

The CHEO Access Team helps to make referrals for those with complex needs. This includes children or youth who have missed important developmental milestones like crawling or talking, or have complex physical and cognitive health issues.

The CHEO Access Team also helps to make referrals for children and youth with simple rehabilitation needs, like temporary treatment after a sports injury.

Some of the services included:

- Autism diagnostic assessment
- FASD diagnostic assessment
- Occupational Therapy
- Physiotherapy
- Recreation Therapy
- Respite
- Social Work
- First Words Preschool Speech and Language Program.
